860 Students respondent

# Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

- Want to teach practically and to promote seminars
- Teaching is good
- Give easy ways to study
- Interact more with students
- More emphasis on skill based learning and promoting entrepreneur skill needed.
- Not bad
- New technology monthly updates can be given. Activity based learning may be implemented.
- Kindly give more project and real time problem to solve. Industrial problem statements may be given as assignment.
- Give the importance for sports
- Motivating every one, Teaching is well and good
